

PRACTICE AREAS

- Litigation

EDUCATION

- University of California, Los Angeles School of Law (J.D. 2017)
- University of Florida (B.A. English Language and Literature/Letters 2013)

Angela Li is an Associate in Lubin Olson’s Litigation and Construction Law Practice Groups. She specializes in real estate development disputes, including in the affordable housing and renewable energy sectors.

Ms. Li represents developers and construction firms in claims involving design flaws, construction and engineering defects, and unforeseen circumstances, on local and multi-million dollar projects around the United States.

Prior to joining Lubin Olson, Ms. Li practiced at Manning & Kass, Ellrod, Ramirez, Trester LLP, representing California real estate professionals on general commercial and professional liability matters.
